

Originally trained as an Electrical/Electronics Engineer at the University of Nigeria, Nsukka (UNN), Oluwatosin Ibraheem Ligali has garnered over 12 years of experience in the field of Information Communications & Technology, working extensively in areas such as Web Development, SMS Solution, Digital/Social Marketing and Business Strategy.

Known for his creativity, high flexibility and adaptability, Oluwatosin left the Lagos State Civil Service Commission as a classroom teacher of over four years and forayed into the world of technology, designing developmental concepts and creating business strategies for Dreamworks Technologies Limited, a website design and development company in Lagos. Working in that space and field, became his stepping stones into a bigger world of web and digital.

With an impressive array of top certifications such as a Professional Diploma in **Digital Marketing** from Shaw Academy, Dublin, Ireland in 2016, diploma in **Leadership and Team Development** from the International Business Management Institute, Germany in 2018, Certified **Blockchain** Instructor, 2019, an **Associate member of Nigerian Institute of Training and Development (AITD)**.

Oluwatosin career as a communications specialist was solidified when he graduated from the JCI Presenter Class in 2008 under the tutelage of the then JCI Training Director; Gunther Meyer from JCI Chesterfield, MO USA, this has given him the opportunity to have delivered over 1800 hours of speech delivery in 3 countries, and has led minimum **four (4) Digital Marketing Bootcamps, Nine (9) Train The Trainer**.

On many occasions facilitated for **LEAP Africa; Fate Foundation, Junior Chamber International, Nigeria** and a **Personal Development Coach at WizardAmigos**, a CISCO Certified Instructor and he worked with NULTAN Nigeria as the Head of Brand & Designs where he did revolutionary work for a period of less than 2years and received the Award of **“BEST STAFF”** of the Year 2012.

However, Oluwatosin’s most impressive and boldest career move yet happened in 2013, when he decided to take the helm of affairs at Ozmosis Services (www.ozmosisservices.com) as the Senior Technology Consultant, a cutting edge technology and communication firm that provides digital and offline communication solutions with over 10 young, passionate and entrepreneurial minded individuals. With his experience and impactful work, he has taken Ozmosis Services from 0 to over 200 clients in just 4 years.

He has facilitated many brand activations for a diverse range of individuals, organizations and parastatals like Nestle Nigeria Limited, First Bank Nigeria, GTB, Office Everything, JCI Nigeria, NTA, Startimes Nigeria, SLOT Limited, Revive Phones, Dys Trocca Valsesia & Co LTD, Nippon Foundation, Property Mart Real Estate Investment Limited, Parkway Nigeria Limited, tvNolly, MegaInsight, TCM and many more, Currently a volunteer for Voluntary Works Organization of Nigeria, Global Entrepreneurship Week (GEW), Junior Chamber International, Nigeria. He love seeing Movies, Swimming and Footballing.

Currently a volunteer for Voluntary Works Organization of Nigeria, Global Entrepreneurship Week (GEW), Junior Chamber International, Nigeria. He love seeing Movies, Swimming and Footballing.

He has benefited from many competitive Grants like IBM Enterprise Challenge 2011, Diamond Bank BET 5 Enterprise Competition, World Bank “**BIGPROJECT** “ ETC

He continually strives to challenge the status quo for something new and motivate everyone he comes in contact with to make a difference and leave a legacy before their extinction!
